## April 2012

### Rev.Elations!

One of the readings that we share each year at our Passover Seder here at church is from the Jewish Revolutionary figure Bar Barochov. He writes eloquently of what makes Passover for him radically different from other holidays also associated with this season of the revival of life. For him, the genius of Passover is that it connects the rebirth of Spring not with a deity, but with all of humanity, by suggesting that spring is the most natural time for not only the contemplation of, but insistence upon, freedom.

I love that. This is a time when all the earth blooms without effort--especially in the unusual heat of this year. And yet there are many of our fellow beings that are not accorded the opportunity to grow and flourish unhindered according to their great and natural capacity. Indeed, the holiday message is clear: none of us can until all of us are free. I am once again delighted to celebrate a spring season with a congregation that understands that.

To Life,  
Rev. Susan

### InTurnings

Recently, I went to a hockey game with a Christian rock concert scheduled afterwards. My friends and I planned to stay for a song or two. Before the band came on stage a football player gave his testimonial. He told the story of his upbringing and his later discovery of his religious faith.

The football player had had a tough childhood. He witnessed his father abuse his mother. As a six year old,

## Easter/Flower Celebration

On **Sunday, April 8** we will celebrate our annual intergenerational Easter service. It is our custom to observe the Flower Celebration, where participants are represented by loose cut flowers which are collected and then redistributed during the worship. Please bring a cut flower for each member of your party if you are able-though extras will be

and later as an eleven year old, he felt powerless to save his mother. He assured the crowd, "I know many of you have had tough times in your lives. Maybe not the same as mine, but hard in your own way. We all have. You are not alone." The stadium was nearly silent with all the people listening to his words.

My friend leaned over and whispered, "What is this?" "Church." I said. "It is a kind of church." The people gathered. A moving story. Our lived experiences validated and reflected back to us. A moral lesson to take home and consider. Music to share. The immensity of the hockey stadium reminiscent of the grand cathedrals and glorious mosques of Europe.

The football player went off to college and later became a football player. Over the years he began to notice how his mother leaned into her religious faith. Through witnessing his mother's ability to forgive her ex-husband for the abuse she had suffered at his hands, the football player was able to heal some of the deep wounds he carried with him from his childhood. Eventually, he too found support and spiritual sustenance in his religious faith.

He told the gathered crowd that he feels called to share his sense of peace and fulfillment with others. The football player told the crowd that he is called to save souls.

Because the historical teachings of Universalism have taught me that all beings are already saved, I have tended towards saving or healing lives, rather than souls. What have you learned from the Universalist half of our UU faith? I invite you to come consider Universalism in a workshop on April 22 after worship. This workshop will look at Universalism through the theological lenses of two important figures in UU history and the present. We will learn about Hosea Ballou's Universalism of the 19<sup>th</sup> century and Forrest Church's Universalism of the 21<sup>st</sup> century. We will use these two as lenses to discover how Universalism influences our worldview or lifestance today. We will develop our own personal theologies, gain a deeper understanding of our Universalist theological heritage, and better understand the shifting and growing nature of our UU identity.

In faith,  
Rachel  
Intern Minister

## Music Notes

The music program is bustling with excitement this month. Read on to find out more!

**Music Sunday is May 6.** Mark your calendars now for

available that day. Children will be in main worship (no Children's RE that day; nursery available in Fellowship Hall).

immediately following the service. Please bring a bag or a basket for each of your children. The field and the grounds around the church may be damp, so plan shoes accordingly. In case of rain or excessively wet conditions, the event will be held in the church with some modifications. For questions, please contact Jan Bourke at [jdb135@wowway.com](mailto:jdb135@wowway.com) or 614-268-6390.

### Social Justice

The NUUC Social Action Committee typically meets the first Sunday of the month after service. The next meeting will be on Sunday, April 1, 2012, after service in the vestibule off the sanctuary. For more information, please feel free to attend a committee meeting or talk to any member of your Social Action Committee. Contact Chair Tracy Steinbrenner at [tracystein@att.net](mailto:tracystein@att.net) for questions or to reconfirm the next meeting date. Won't you join us?

#### **Fair Trade Sale: April 8**

The Social Action Committee will hold its monthly Fair Trade Sale on Sunday, April 8 (held the second Sunday of most months). Several varieties of coffees and

this special celebration of music in our congregation. The 10:30 service will feature musicians of all ages and instruments. Do you have a song in your heart or a tune in your fingertips that you would like to share? **Please let me know ASAP if you would like to be included on this year's program.**

Have you noticed the "third hymn" that we have included in many of our recent Sunday services? Because music is so central to our worship services, the worship committee and I feel that buying copies of the supplemental hymnal "Singing the Journey" will give us even more great songs to sing together. Beginning in mid-April, you will be hearing selections from this hymnal during our worship services. I hope you will contribute to the fund to bring copies of this book to a pew near you.

Thank you, Molly Watson, for filling in as music director while I was on vacation. Molly adeptly ran rehearsal and conducted the choir during the worship service on March 25.

The new NUUC Recorder Ensemble has been meeting regularly and will make their debut performance during worship on April 1. Rehearsals are twice a month on Tuesday afternoons. Anyone wishing to join the Recorder Ensemble should contact me for more information.

Here's a quick look at the music the NUUC Choir is preparing for this month:

April 1: For Passover, the Hebrew song "Vine and Fig Tree." NUUC Recorder Ensemble will play for the offertory.

April 8: Zulu folk song "Jabula Jesu" for a joyful, intergenerational Easter service.

April 15: Full choir arrangement of "Over the Rainbow."

April 22: "The Prayer," made popular a few years ago by Josh Groban and Celine Dion.

April 29: The NUUC Recorder Ensemble will be performing for the musical interlude to give the choir extra rehearsal time before Music Sunday (May 6!)

## Worship Committee Offers to Feed Two Birds with One Seed

The Worship Committee would like to invite the congregation to invest in the UUA's supplemental hymnal, *Singing the Journey*, known as the "teal hymnal." *Singing the Journey* has a wide range of modern, interesting, and multicultural pieces of music. The Foreword in the hymnal says this:

"In this small volume, you will find hymns that reflect our theological diversity and our respect for the variety of cultural expression. You will also find some new musical vocabularies and new rhythms. But a common thread binds these songs together. These hymns touch the heart as well as the head. They express a Unitarian Universalism that lives and ministers in this complicated world where freedom, peace, and justice are so hard to create and sustain."

Around the same time that the Committee decided that we would like to raise money for the new hymnals, the congregation passed a deficit budget. This left the Committee with an interesting conundrum-- how could

The Kroger Rewards program runs from May to May. So, April is our renewal month. All current participants MUST RE-ENROLL THIS MONTH (April) to continue earning rewards for the 2012-2013 enrollment period. New enrollees can enroll at any time but, once enrolled, will need to renew each April thereafter. If you haven't registered or need to update your participation, it's easy: go to [www.krogercommunityrewards.com](http://www.krogercommunityrewards.com), click on "OHIO" and click on "Enroll." All participants must have a valid online account at Kroger.com and must sign up online to participate. Please don't delay; the sooner you enroll (or renew), the sooner your purchases start counting toward another donation for NUUC! (Should you need it, our NUUC Nonprofit Organization Number is 84869).

### Thanks for Your Faithful Giving!

Your faithful and consistent giving is so appreciated and necessary to staying on budget. Remember: you can always mail in an offering or pledge check, even if your schedule keeps you away from services. Just mail it to: NUUC, Attn: JGD, P. O. Box 541, Lewis Center, OH 43035 (please note the postal service will NOT deliver to our physical address, so be sure to use the post office box address). Statements for the first quarter of 2012 (for giving

the congregation buy new hymnals when we already have a strapped budget, and now a deficit? Thus was born the idea that the new hymnals could be used to raise funds to help offset the deficit in 2012, while investing in a rich and diverse musical tradition for years to come.

The Worship Committee would like to invite members and friends of NUUC to buy each teal hymnal for \$30. This \$30 covers the actual cost of the hymnal, an inscription of your choice in the hymnal, and \$15 towards the 2012 deficit budget. The goal is to raise funds for 80 copies of the hymnal: a permanent investment in the future of our beloved music program and an immediate one fifth reduction of the 2012 deficit! Feeding two birds with one seed!

The Worship Committee will hold a second collection for the last three Sundays in April (April 15, 22, and 29). Each week a member of the Worship Committee will share a brief layview outlining why we would like to have the teal hymnal at NUUC, we will hear a selection from the new hymnal, and we will offer financial contributions for the new hymnal. You may also contribute to the teal hymnal fund online by [clicking here](#). We hope to purchase the new hymnals in time to present them to the congregation on Music Sunday, May 6.

### Opportunities to Lead Sunday Worship

Do you have a sermon bubbling out of the depths of your heart or mind? Having fantasies of speaking from the pulpit? Looking for a reason to finally compile those notes you've been taking? Did a fabulous book move you to tears? Have you recently found peace after wrestling with a sticky theological question?

The Worship Committee is looking for members and friends who are interested in leading lay led Sunday morning worship services.

Members of the Worship Committee are available to help develop lay led worship services, if you are interested. The Worship Committee will provide a template for a service and can offer suggestions for stories, readings, or hymns as needed. We are also available to brainstorm or listen to worship topic ideas. Please send your ideas or interest to Intern Minister

## Loose Change Collections

Your Social Action Committee will continue its "Loose Change" project by collecting your loose coins during the worship service on Sunday, April 1. **Please note: the Loose Change collection has shifted to the first week of the month in April because Easter Sunday falls on the second week.**

The February and March Loose Change collections benefited the "Solar Sister" arm of the Himalayan Light Foundation ([www.hlf.org](http://www.hlf.org))--a nonprofit group based in Kathmandu, Nepal-which provides solar power generators to remote villages in the Himalayan foothills. The portable units are used primarily for lighting in schools and clinics. In late March, NUUC member Barb Lubberger and her son, Tom Tekieli, left for Nepal, where they will be helping to deliver and install two of these units at the Shree Janakeshari Primary School in Kumlung Village, northeast of Pokhara.

April's Loose Change collection will benefit "No More Deaths," a growing humanitarian aid movement and network of people working to challenge the US policies that have led to a human rights crisis on the borders of Arizona and Mexico. For more information go to [www.nomoredeaths.org](http://www.nomoredeaths.org)

Deserving recipients of our monthly Loose Change collections are always under discussion. For questions regarding the "Loose Change" project or to suggest a recipient, contact Chair Tracy Steinbrenner at [tracystein@att.net](mailto:tracystein@att.net) or any member of your Social Action Committee.

## Mowing at NUUC - We Need Some Help

For this coming mowing season, the Building and Grounds Committee plans to handle the mowing using the same approach as last year, which will avoid us having to contract out the mowing and save about \$2,400 in the budget.

We plan to do the mowing on a rotating basis with a little help from the congregation. Three or more Building and Grounds members will mow 3 weeks in each month and we plan to ask for volunteers from the congregation to handle the mowing 1 week or possibly 2 weeks each month depending if the month has 4 or 5 weeks. Our goal is to get enough congregational volunteers so they each would mow 1 time during the season. This plan will spread the work so each committee member will mow only once a month, and each congregational volunteer would mow just one time during the season. The area to be mowed includes both the church yard (bounded by the driveway and the parking lot) and the yard around Nielsen House. The field at the rear of our property will be mowed by Gary Rusk, who has volunteered to mow it for the season. We have a riding mower, which is used for almost all of the mowing. For a few small, tight areas, which the riding mower cannot handle, we use a push mower.

Therefore, we would like to get 1 or 2 volunteers from the congregation each month to mow one time in the season. The mowing season runs from late March through early November. But volunteers from the congregation will be needed only for the months of April through October, which is 7 months. Two of those months have 5 weeks, so we need a total of 9 volunteers.

Please consider volunteering to mow one time this season. If you would like to help the church handle the mowing, you can sign up on the mowing sign-up sheet in Fellowship Hall. Just pick a date that works for your schedule. If you have questions or would like more

information, just contact Bob Keith at 740-369-1919 or [bobkeith@frontier.com](mailto:bobkeith@frontier.com).

## Volunteers Needed

One NUUC tradition that carries on week to week is coffee, cookies, and conversation after services. A very special thank you to all of you who have taken a turn at setting up and clean-up after our weekly refreshment tasks this year.

Could you spare a bit of time some Sunday to help? The process is easy--all you have to do is follow instructions that are already posted in the kitchen on where everything is and how to make coffee (if you don't know how). And then clean up after and put things back. Everything is provided for you. (But, feel free to try out a new cookie recipe or bring a dessert left from a meeting or family function!)

This is the perfect opportunity to work as a couple, or grab a friend to help. If everyone took a turn, no one would have to do it every week. And it's fun! We are currently scheduling through April 2012-see the sign-up sheet on the bulletin board for available date. For questions, please contact Jan Bourke at [jdb135@wowway.com](mailto:jdb135@wowway.com) or Teri Cornell at [imuuteri@yahoo.com](mailto:imuuteri@yahoo.com).

## Guest at Your Table

The warmth of our congregation always has awed me. Members here care not only about each other, but also about disadvantaged and imperiled people all over the world. Social action issues, injustices, and national disasters get your attention and response. Of course, the case-in-point I have specifically in mind is our recent Guest at Your Table Campaign. You were generous, generous, generous, and I thank you!

To date, NUUC's contributions from our members total \$3,016. With the Manhasset, New York, Unitarian Universalist Congregation of Shelter Rock's matching all gifts of over \$100, we are donating \$5,873 to the Unitarian Universalist Service Committee to use to secure environmental and economic justice, civil liberties, and relief in crisis situations during wars and disasters for those who need it.

Thank you again,  
Marty Keith

## Rummage Sale Update

We have the dates: Friday and Saturday, August 10 and

11. We have the place: Fellowship Hall. We hear people are gathering items to contribute to NUUC's fabulous rummage sale! Our rummage sale will be a significant fund-raiser, and its planning is moving forward well. We will create a regular "department store" in Fellowship Hall and fill it to the brim. So please, as you do your spring cleaning, set aside those clothes, books, knick-knacks, tools, dishes, glassware, furnishings, appliances, etc. that you no longer want or need and consider donating them to the rummage sale. We'll even have a truck to pick up your bigger items.

While you're thinking about this upcoming fund-raiser, please consider donating some time. This will be a big 2-day sale that will need days to set up. We'll need the help of many volunteers to do setup, display, pricing, sales, and cleanup. Once we begin setting up for the sale, we'll need some folks to arrange the items every afternoon and evening that we can display. Items will need to be priced as well. Also, if you have any ideas about how to increase our advertising, let Bob or Marty Keith know. Finally (but importantly), can you work a shift on the Friday and/or Saturday of the sale? Just be thinking about it now; in May, we will post a sign-up list. ## Rev. Ritchie to Lead DGSCA Worship Service

The Rev. Susan Ritchie will lead the Delaware Gay Straight Christian Alliance spring worship service on **Sunday, April 29, at 7 p.m.** at the Methodist Theological School in Ohio (MTSO), 3081 Columbus Pike.

The service, "Voices Be Not Stilled," is being held in conjunction with an exhibit of the Shower of Stoles project, a collection of liturgical stoles representing the lives of lesbian, gay, bisexual and transgender people of faith from over 30 faith traditions. The collection, which celebrates the gifts of LGBT persons who often serve their faith under the cloud of inequality, bears witness to those who must hide their identity and who have been excluded from service because of their sexual orientation or gender identity. MTSO will host the exhibit beginning April 9.

During the service, Rev. Ritchie will preach and prepare for the testimonies of the Rev. Heather Rittenhouse (American Baptist Church), the Rev. Leslie Taylor (director of student life at MTSO and United Church of Christ minister), and Terry Williams and Skylar Seward

(students at MTSO).

Please plan to arrive early to view the stoles and read some of the stories behind them. Refreshments will be served after the service.

The alliance is part of ACT OUT Delaware ([www.actoutdel.org](http://www.actoutdel.org)), a nonprofit organization aimed at creating an open and welcoming community particularly for gay, lesbian, bisexual and transgender people. The group hosts three worship services a year as well as educational and social events.

For more information on the service or the DGSCA, see the organization's website at [www.dgsca.org](http://www.dgsca.org).

## Share Project

Thanks so much to all of you who have been bringing in items for the SHARE Projects recently!

Spring has "sprung," but evenings are still chilly... so please continue to remember the "Share" health kit and sleeping bag projects which benefit the homeless in the vicinity of Delaware Co. and into Franklin Co.

The SHARE Health Kit items are so greatly needed.

There are virtually no public facilities for a homeless person to take a shower in the areas where the Health Kits are delivered. Imagine how nice it is to have your own items (towel, washcloth, soap, razor, toothbrush & paste, comb, deodorant, wet wipes, etc.). Many will simply have to use the small sink in a bathroom....some wash up in the local rivers.

You can view a list of the most-needed items on the "Share Card" found at the website at

[www.shareyourbest.us](http://www.shareyourbest.us).

Share is always in need of supplies to make more sleeping bags - please donate your used but clean bedding and towels. For additional details, visit the website at [www.shareyourbest.us](http://www.shareyourbest.us).

For info about these projects or other ways you can help, please contact Donna Imel at Share at [donna@shareyourbest.us](mailto:donna@shareyourbest.us) (177 N. Union St., Delaware, OH 43015) or contact our NUUC coordinator Lynn Foreman [sbgmacb@hotmail.com](mailto:sbgmacb@hotmail.com) or 740-513-4876.
